Section 6: Web site Picture Information

One of the AgriMissouri™ Membership benefits is a feature page on the AgriMissouri™ web site, www.agrimissouri.com. The goal is to provide AgriMissouri™ members with another marketing tool to provide potential consumers with more information about their product or experience. Pictures provide an avenue for consumers to see the products or experience described on the web page. Each AgriMissouri™ member is allowed two pictures on their company's feature page. AgriMissouri™ encourages all members to take advantage of the option to include two pictures. These pictures can include your company logo, product pictures, farm/experience pictures, or pictures of consumers enjoying your products. All pictures or logos need to be e-mailed to Sarah Shultz in a .jpg format at Sarah.Shultz@mda.mo.gov.

Please return this completed form to Sarah Shultz at the address below or e-mail all the information, including pictures, to Sarah at Sarah.Shultz@mda.mo.gov.
